Vin Jaune

Organic and biodynamic wine

DEMETER certified since 2010, biodynamic farming has strengthened our vineyards. It allows the wines to fully express the unique character of our terroir.

Grapes

100 % Savagnin Parcel of 1,56 Ha

Soil / Terroir

Here, you'll find gray clays and ancient marls, dating back to the Lias and Triassic periods. The deep soils remain consistently cool due to abundant rainfall, which contributes to a high level of natural acidity in the grapes.

This unique combination of geological age and soil composition supports the growth of healthy vines, resulting in wines with vibrant acidity and rich flavor profiles. The constant moisture in the soils helps preserve the freshness of the grapes, enhancing their aromatic complexity and overall balance.

Elevation 250 m

Yield 44 hl/Ha

Hand harvesting

Tasting

A brilliant golden-yellow color. A very powerful wine with dominant walnut aromas and a long, lingering finish. A strong expression of the region's unique terroir.

Vinification

This winemaking process is truly unique! The grapes are pressed at a pressure of 1.5 bar, followed by one day of must settling.

Alcoholic and maloactic fermentations then take place. The wine now undergoes an impressive seven-year aging process in small, old oak barells. During this time the barrels are never toppped up, allowing a film of yeast to form.

The yeast veil develops over the years, imparting a distinctive and complex aromas of nuts and curry to the final wine. Additionally, about 30% of teh wine naturally evaporates during this extended aging process, further concentrating the rich and layered flavors.

Aging in olds barrels 7 to 8 years

Indigenous yeast

Sulfites < 20 mg/l

Alcohol content 14 %

Pairing

A wine made for gastronomic pairings! Its finesse, power, and complexity shine alongside a wide variety of dishes: foie gras, lobster, scallops, richly sauced fish, sushi, spiced cuisine, white meats in creamy mushroom sauces, Comté, Parmesan, and aged Cheddar.

Pro tip: Open a few hours in advance and enjoy like a red wine, at a temperature of 15 to 18°C (59–64°F).
